MEMORANDUM FOR: Director of Training

SUBJECT : Support School Weekly Report

A. ADMINISTRATIVE TRAINING

1. Training Course for Technical Officers (Contract Overrun)

Instructions and procedures for evaluating contractors' proposals for the course have been completed and will be distributed to members of the evaluation panel this week. We aim to have evaluations completed on or about 13 July so that an award can be made by 15 July.

2. Automated Communications Terminal

The Automated Communications Terminal (ACT-1) is progressing satisfactorily. On 28 June, [REDACTED], Cable Secretariat, advised [REDACTED] that parts of AF, FE, and NE Divisions are already using the new IBM #108 font in typing outgoing cables. During this reporting period, the Office of Logistics let the contract for the new cable forms. Proofs of the five different forms to be used will be ready approximately 20 July for experimentation and test runs through the "reader" in [REDACTED]. After final approval, printing of the forms will be undertaken. The present estimate is that the first batch of forms for use will appear about 15 - 20 October. The "reader" will then be set up at Headquarters around the end of October or first of November for testing until approximately the end of November.

3. Field Finance and Logistics

a. The schedule for Course No. 1-72, to be conducted from 19 July - 6 August, was distributed to Training Officers and guest speakers this week.

property accounting.

4. Additional Dictation Drill for Shorthand Trainees

25X1A9a [] Chief, Clerical Staffing Branch, Office
of Personnel, is faced with the necessity of providing an unusually large
number of stenographers to fill vacancies in the Agency. The dearth of
incoming qualified stenographers is posing problems for her. As a
consequence, she requested dictation materials from the Clerical Training
Faculty for use in a dictation practice period each day in TAS. Her request
25X1A9a for this training material was honored and, in addition, arrangements were
made to have [] conduct an extra dictation drill period daily in
Clerical Induction.

B. MANAGEMENT TRAINING

1. Microfilm Information Systems Seminar

25X1A5a1 Arrangements have been completed for the third running of
the Microfilm Information Systems Seminar to be conducted at Headquarters
Building during the week of 18 October 1971. We expect the consultant,
[] to present this usual three day Seminar,
plus an additional one day program specifically designed for Support officers
within the DD/S. As in the past, coordination for these matters is being
handled jointly by the Support School, OTR, and Support Services Staff,
DD/S.

2. Advanced Management (Planning)

25X1A9a In the guest speaker presentation on application of PPB, John
[] added a description of methodology
of the DELPHI technique. A specific CS DELPHI exercise on CS goals
was used to illustrate the method and it was evident that the CS had
considered it a useful and rewarding exercise. The students evinced
considerable interest during the question and answer period that lasted
almost a half hour.
